

N^o 2.

New York 18th July 1783

Sir,

As the situation of the Refugees who have gone to Nova Scotia, may require that they should have a further allowance of Provisions to carry them thro' the Winter, I have directed provisions to the 1st of May next, to be furnished to those whose necessities may require it; which you will be pleased to have carried into Execution.

Should you find it an advantage to the Inhabitants, and that it can be done without detriment to the troops, you will send a Battalion or part of a Battalion to port-Roseway, but I would wish you in all such cases, where the province is concerned, to consult with the Governor. What I have said of Port-Roseway may be applied to any other of the
