

The different parts of the Province at various
distances from each other, and in many instances
one from necessity stationed at the posts where
were recruited, which renders ~~any~~ review by the
respective Colonels almost impracticable of course
they must depend upon the certificates of the
recruiting Officers both with respect to number
effectiveness, and on the return of those Officers
Bounty pay, provisions &c must be
necessity therefore of

inter Lincolnton

Winlow at the
his usual alacrity
took this service, and
upon the return of
forwarded a memorial to his
all the circumstances, and pointing out
the most unanswerable manner the expedi-
and necessity of such an appointment, sug-
ing that such an Officer if appointed, would
without doubt receive 10/ per day and paying
that he tendering his services, and praying
at he might be allowed his full pay

as is the case with the other
The Lordship was satisfied with the
of the application, and expressed
himself fully satisfied that the business
would be conducted with the strictest propriety
by Col. Winlow, but on account of
appointment of a similar nature
made, being dis-approved by his
said he did not choose
of that sort.

for been advised
their representative
channel at
want in what
to be done; upon a statement
stances, his petitions appeared
so fair, and very wise to serve
very deserving a Character, and
of personal friendship was
that I at once determined to
with the foregoing recital, &c,
