a month ago all over the continent.
lets have been shipwreck'd in different
and a great number of lives lost. They
at Halifax that Parkleigh's vessel is blown
at Indies. The marriage of Our Eliza
handler at Boston is a circumstance
I am sure must greatly affect my friend
Miss Miller, if I beg you would break it to her as
soberly as possible - tell her too that her friend
Miss Halliburton is certainly to be married in
January to Mr. Duncan. Mrs. Hawthood (Betsey
Crighton) is lately dead

Its a great satisfaction to me that
you have got your house comfortable, for by the
Major's account your weather must have been
intensely cold - 14 degrees beyond us, and we were
cold as the devil - Mary is passing the holidays
with us and gives daily proofs of her high spirits
and excellent lungs -
Don't neglect to send me your cer-
tificates. McCall will drive me to death -
