D.N.B. ARCHIVES

Sir,

As the particular situation of my affairs will not admit of my making the tour to Halifax which I have long intended, and as the tenor of my late letter leads me to suspect that some misapprehensions have arisen in the mind of the General with respect to the appropriation of the publick moneys entrusted with me, I have sent Mr. Pyles with the vouchers and such other papers as relate to the Department and trust that he will be enabled to clear up every circumstance to the full satisfaction of the General. ~~He will also deliver a complete edification of the sum now due from Government and I wait with impatience at this place to know the General's determination with respect to the future payment of the contingent in this province~~

I am Sir Your most obedient
servant
Ed Winston
