Dear Winslow)

We were highly pleased with your theatrical
jaunt - the description reached us just as we were setting
off for the entertainment given us last evening by Miss
Doyley and Co - every thing went off exceedingly well. -
and will I hope from the success of it be a prelude to other
exhibitions of the same kind. - you will get a particular
description of every thing from Murray Clapper & Co who
were present. - As you got to Solids the first day, we
have no doubt you reached home early the second, then you
will let us know by the first opportunity; - the bottle of
Sassailla Cherry for Ben's comfort upon the road was
sent over & was at Sand's when you set off. it now
goes by Clapper, but as he knows how good it is - I have
some doubts if it will reach you safe - he promises fair
however; - he will also take your pen-knife - Razor - Case - Shaver
brushes &c which you left. - Do you think if an effort
should be made and a quantity of such sufficient to prevent
the fear of any want, imported from Quebec, that the im-
