my dear Sir

Supper Vale 11th Oct. 1791

7-118

ONE ARCHIVE

I am happy in an opportunity
to inclose to you a resolve of the
New England Company for propagating
the Gospel among the native Indians
in their Country, that by their attention
to the recommendation of Governor Carleton
we shall be assisted with your abilities
and zeal for the Christian religion

I will therefore request your attendance
at our next meeting at Sachriston when
you will be timely notified.
