Honourable Colonel and most
respectable Friend,

This is to inform that
I have established a free School
at this Place, according to an Act
of Assembly of the Province,
Sixty Pounds Encouragement is
given to each Parish, but as the
and Goodists and the Curate of
the Parish differs in Mind, this
is to request a particular favour
and perhaps it may be the last,
hoping that my request shall
be Granted, is to favour me with
a letter of recommendation
under your hand to the Honou-
rable President (Thomas Dunn)
now Dear and respectable friend
as soon as you will grant that
favour I shall set off for Dublin
to present the same with a
petition signed by a Majority
of the Parish.

Mrs. Esther Davis with
all the Family their sincere
Love
