

The within mentioned Carpenter's work, to be done in a good
workman like manner, by the subscriber, for the sum of
Eleven Hundred & twenty five Pounds, New Brunswick
Currency.

Thomas Bean

N.B. All Materials to be laid in the Fuel Yard by Government.
If the Timber is not gotten agreeable to the Bill of Scantling,
Government must be at the expense of hewing & furring.
A Work Shop to be provided by Government contiguous to the Building.

If the alterations in the Plan should be approved of, the above
Subscriber, will engage to execute them for the addition of
twenty five Pounds, the one half of which would be saved in
the Bill of Scantling.
