Board of Accounts 16th Feb. 1707

It appearing by authentic certificates that

the accounts contained in this abstract were
omitted by Lieutenant Campbell in the
settlement of his accounts, and that the
sums are yet actually due to the several
persons herein named - The Board are of
opinion that the omission of the acting
Engineer, although very unjustifiable, ought
not to preclude the individuals concerned
from their just demands upon govern-
ment; and do therefore recommend pay-
ment of the abstract.
