we little Insignificant do — we must surely think that
He whose heart is expanded with Cheerfulness —
 Candour & Benevolence in innocent more acceptable Worship —
— under the influence of
those dispositions performs his religious cere-
— monies is a much more acceptable Worship —
— per — Than He — who with a long face performs
duties wch he is glad when they are over —

The French fleet from Guadaloupe has been expected this 10 days — They are not yet arrived — a few single Vessels attempting to get down have been taken — The trade of this place is at present at a low ebb —

Saturday 3. The two Sads have returned to ship — It seems yg were ashore keeping Holy day only — one of y^m is for his victuals only —

Sunday April 3 — Had an old acquaintance to see me — my townsman Ash — y^m 13 — n — He gives me some curious anecdotes —
