

4 o'clock from ice. Ice has gone -
Friday
~~Saturday~~ 19 found our leak - two large
nail holes very low down
Saturday

Saturday
Sunday 16. Stopp'd it & aigh the Ship
Sundays

Sunday 11th —
Monday 12th — made every thing ready to sail
weigh'd anchor but a wind dying came
too again —

Monday
Tuesday 18 - Wind contrary.

Wednesday 19 Oct

Tuesday 18th - was surprized this morning at seeing the ice made out much beyond us - wind blowing from about NW & very cold - having no time to loose our provision being almost at an end, we endeavored to weigh our anchor but being unable to purchase him we cut cable & run the brig into ^{the} Shore - we just ran way thro ^{the} ice - to within about 100 yards of ^{the} Shore where ^{the} ice was so thick that she stop'd in about 6 fath^m Water - the Wind so scant we dared not attempt to get out an island lying to Leeward of us from which having us boat) it would have been impossible to get

us to get as the water continued open be
hind it. We now took up a resolution of
quitting our bag - & immediately sat about
preparing for our Journey by working all
a provision we had left wch was 2 pieces
beef abt. 6 lbs 11 ducks & fowls - about
4 lbs flour boild into hard dumplings
& about 4 Gall^s. boild rice & some potatoes
wth Stock we sat out for Halifax on

Wednesday 4th 19 - I travelled over much
mountainous cleared country very barren
some close & woody - that night encamped in
the woods - lodged comfortably - our supper
2 ducks & four dumplings among 8 men

Thursday 20 - a wet snowy day reached
 y Bay sixte towards y Sea encamped near
 y Sea very uncomfortable y night our
 clothes wet - y snow on y trees dropping on
 us most of night -

Sunday 21 - pleasant day encamped by
