

Shelburne Sep. 24 1783

Wednesday 23 Yesterday up the River lay
2. 500 acre Lot - slept in it woods returned
morning on account of the rain - arrived
passengers from N York - am yet without
a party to finish it Survey of 50 acre lot
of Western side -

Thursday ~~24~~ 24 Rain - yesterday cloudy
& wet - in the woods with Capt Sullivan's
exploring the land & thence of the upper lot
but an order recd. this day Saturday 27
to lay out a piece of Land there for Col. ~~Law~~
= bell puts an end to any Locations in that
Quarter - Sent Mr Tully to survey around
Cove & up to the falls where 50 acre Lot end
of Eastern side - wrote the Governor in
a plan expressing my idea about placing
a presbyterian meeting House - another
ing & Situation of the market in N York

Shelburne Sept 1783

wrote Ch. Morris Esq & Substance on file wrote
Will - respecting it 12,500 acre Lot on each
side the River - also respecting my taking
one for my self - whether it would be tho:
asking too much - - To day is Saturday
27 - yesterday being marked so was a mistake
have been running Lines for Sullivan's Hamil-
ton's & late corners - a very murmuring crew
Sunday 28 Mr Tully in the woods running
Lines for Sullivan's Hamilton's &c - These
People are the very worst we've had yet - they
murmur & grumble because they cant get lo-
cated as advantageously as those who have
been working hard these 4 months - - They
seem to be the very ill raff of the whole
Monday 29 - To day examining my Survey
