

Shelburne October 1783

Friday 11 - Laying out Water Lots. Tully
Laying out Town Lots for the Sullivan's
weather very fine - arrived a Ship from
New York - - Cowpar with me yesterday the
day -

Saturday 12 - Wet fore part of the day -
done no business abroad - The Ship with all
yesterday has about 50 families - who are
settling here -

Sunday 13. Wet rainy day, dined at Hall
& Low's - more Settlers arrived -

Monday 14 Rainy all day - met the
- tains of 4 Companies who arrived lately
have agreed to put their People below the
for the present -

Tuesday 15. This morning on board Capt
went on shore with some of the new Comers
shew them the ground where they are advised

Shelburne October 1783

to put themselves - They don't seem upon the
whole to come into an idea of putting -
another Ship arrived to day with Passengers
Wednesday 16 - Carried Capt Wright & Acker
- man of the new Comers to the ground I must lay
out for them - - They are much displeas'd at
the situation - Laid out some water lots - -
Capt Christian & Major Pitcairn to dine -
with us - -

Thursday - 17. Located Sullivan's & Hamilton's
Compt. in Par's Division 112 persons - on
6 whole Lots & 2 half Lots Mr Tully laid these
out himself - - Showery this afternoon - did
nothing after dinner -

Friday 18 at home all day - rainy - blew
hard at S. & S.W. - wrote the Gov. a copy -

Saturday 19 - In Town - plan'd ^{some} water Lots laid
out below - Weather Cloudy - moderate rain
