

Shelburne March 1784

- 3 a Plan of the 50 acre Lots from Birch Town
to Dufy's — Dufy & son's location 550
N^o 72. Col^d Bushkirts 500 acres. 73 —
W Lawson's 100 acres 74 —
- 4 a Plan containing the 34 50 acre lots from
the Herring falls downwards on the West side
& 9.500 acre lots running from said falls
up the River — also 3 farms. marked A
& C. — lying on the NW River or Birch Town
— over A on its East side to Charles Mason
on the West to ~~Reverend~~ Isaac Gray Con^y W
& north of B to Henry Elvins. a line from the
lower falls of Birch Town River running NW
(Mason says 18° but the projection makes it but 16°) 153 Ch^y
comes to the SE corner of Gray's Grant —
- 5 a Plan of 25 farm lots on the West side
Hooaway river beginning at its North line
the 500 acre Lot N^o 9 — & running north

Shelburne March 1784

- 6 a Plan of the 3 small Lands below the
Town — South of the navy Lands. —

For these three months past my ~~own~~ time
has been taken up in returning Plans
regulating the Companies who are tak-
ing up Land in the Country Entering
Locations — & attending to daily com-
plaints ~~for~~ ^{for} lots & applications of one
kind & another — To day the 1st
of April I have been in the woods ex-
amining the North line of the 50
acre lots above the Town those lots
will be pinched a little in breadth
for each reason they must be extended in
length
