

Miramichi January 1786

Thursday 5. Cloudy - all day - mild wind N.W.
faster - at sun set Clouds very thin
looks like to be fair weather.

Friday 6 Fair, mild - sometimes clear some-
times Cloudy wind N.W.

Saturday 7 Serene without a Cloud - tight
weather - but very pleasant -

Sunday 8 Fair - clear most part of the day
tight - but very pleasant - small
Breezes of wind these two days - Why

This evening wrote Cap^t Hulloock that I should
at home next week & should not probably have
any other Opp^o of settling his affair with him
sent a letter by Geo Brown's man Alex.

Monday 9 Left home with M^r Les Duvier to
lay out Lands for Horton & Symes

Tuesday 10 Cloudy tight weather Surveyed for
Horton

Wednesday 11 - Cloudy - for Symes

Thursday 12 Clear - a Ptke River

Miramichi January 1786

Friday 13. Clear & very cold - too cold to travel
Saturday 14. Clear & cold - I went to Negayac
Les Duvier returned home -

Sunday 15 Clear & cold -

Monday 16 Cloudy & cold - on Survey

Tuesday 17 Clear & cold - Ditto - froze my face

Wednesday 18 Clear & cold - too cold to do any
thing

Thursday 19 Clear & very cold - out

Friday 20 Ditto

Saturday 21 Snow - in house at home

Sunday 22 Foggy - soft returned home -
a fatiguing march of 30 miles thro
a sharp frozen crust -

Monday 23. Foul - sometimes Rain sometimes
Hail - wrote Thobichamp that
I would take Savoy's opinion that Les
Duvier would come for them the
last of May - sent him the Petition
for the French People for land -
