

Miramichi February 1786

Tuesday 21. Forenoon cloudy afternoon clear
have been preparing for my
expedition to St. John's for this
week past - intended to have
out to day but the weather was
unfit

Wednesday 22 Set off to day for a survey
expedition to the Grand Lake with a party
of 4 men & two Tobagans reach'd Sher-
well - 8 miles the Party got to Swany
abt. 8 miles

Thursday 23. came to L. Brown's abt.
am - the party came in abt. 11. there
halt till tomorrow to rest the men
they being much fatigued with the heavy
travelling

Exp. 40 lb moon meat of Les Desjardins
50 lb of Henderson
90 @ 2.
