420 - at 12 o'clock came on to Snow
 put up with 4 Indians - & agreed with them for
 some more more meat ^{for which I gave 6/} The Quality of the
 soil from what appears from it Growth good
 the trees being generally large - a mixture of
 hard wood & soft with some few tall pines inter-
 spersed - today the latter part of our line seems
 to be mostly yellow ^{red} pine - the shore some times
 low - & sometimes high - not very high -

Monday 27-

Left the Indians - & began at the end yester-
 day's line - & ran
