C.N.B. ARCHIVES

This day 1/2 after one failed
from Newport on an expedition
intended against Bedford.

5 o'clock, spoke the Garretts
Privateer with a small prize
laden with rum sugar & sundry
other West India commodities bound
from Nantucket to the main.
He informs that seven or eight
small vessels had been seen
near inshore he supposes that
they are employ'd in the ~~same~~ business
of carrying those articles to the
main. This induces us to conclude
that vessels have lately arrived
at
Gorham.
