

with you & my children
to enjoy quietly all the good
things which we have collected.

To vary the scene a little
I have put the sleigh in
good repair, & have paid
neighbourly visits to our
worthy friends James &
Amelia, & when I chose to
enlarge the circle, & enjoy a
more extensive society I have
removed to the Government
house at Annapolis with you
& little Pop, & have spent a
fortnight at a time in town.

All this, & much more comfort

I intend to realize, I therefore
charge you to make every
necessary preparation for the
purpose. In the first place,
cure your throat perfectly,
that vile little affair is the
source of continual uneasiness
to me. — In the next place
let me know what materials
will be necessary for me to
procure from this quarter to
enable you to put my plan
in execution, in it's fullest
extent — What Goods — what
Concessions, — will be wanting?
I shall take no excuse. I
am determined if I stay on
this
