

6. Ground Canisters, & all
 1000. and I'll send one
 by every good natured
 fellow that I can prevail
 on to take charge of it.

Murray in one of his
 visits to the Lieut Governor,
 was vastly delighted with
 a Pidgeon-house which he
 saw at Point Pleasant. He
 honor with his usual good
 humor told him he would
 have one made exactly
 like it and send it to him.
 To day Col. Fanning has
 acquainted me that it is

is completed, and that
 I may have it to send round
 in the Prince of Orange.

It seems - it's made out
 of a large Butt or Hoghead
 with partitions in it, & I
 am told 'tis a very good con-
 trivance. - at any rate I
 shall send it. - You must
 have a stout pole fixed in
 the Ground & place the Pidgeon
 House on the top of
 it. If your Pidgeons are
 gone - W. Williams will supply
 you with a new stock.
 Thompson will give directions
 as
