

Your good mother is very well, and sends her love. Sister Benny has had a bad cold, which occasioned a slight fever. She is now recovering but will not be able to write by this conveyance. Miss Miller waits for the conveyance of a first letter.

Billy Coffin has accepted the office of Superintendent General to the family in the absence of Mr. Marton.

All your circle of female acquaintance are well.

except Katharina.

been confined by a bilious disorder, but is recovering. Colonel Todd is fighting hard with ^{the} Gout, which hangs about his stomach, and may probably be too much for him. Sophy and the old Lady are well.

Major Upham's disorder has terminated in his favour, and he is now recovering fast. Major Murray has said, had sailed directly for New Brunswick in a vessel which said about the same time with the Hermoine.
