

off in the morning —
 all the little anecdotes
 of the place you may
 hear from them ten
 times over if you
 please & I forbear to
 write them — Another
 volume might possibly
 be more fruitful in
 amusement than the
 present as I hope for
 yours by the first

opportunity, which
 might give me some
 foundation to work
 upon — If you stay
 long it may find you
 before you leave home,
 if not it shall follow
 you to Canada, pro-
 vided you tell me
 how I shall direct
 it — How long do
 you mean to stay?
