Wind part of the day.
at the General's. —

29. Cloudy & Wet. Hay re-
mains in Cock de.
p^d M^r Cornelius Thompson
£3. by an order on M^r Fraser
for 1 ton Hay del^d last Winter.

30. 31st Got in 5 Loads Hay in these two
days.

Aug. 1. Men employ^d. about Garden, Fair^y
very hot.

2^d. At Council. Thunder & some rain.

3^d. Rain. Men employ^d. Stowing
hay in the Mow. Clearing Cullen^h.

Sunday
4th. The rain has continued all night.
— much gratify^d. that I have
no Hay exp^d. Generally —
Between 30th July & 7th August
we've a long storm of Rain.
vide Journal's for six years past.

5th. In town at Col. Miller's.

6th. Mow^d. Grap above Out field.
Grass bridge by Cullen^h.

Cut some Grap in meadow.
Found it rather in a growing
state, & quiet. George came
at noon.

7th. Began mowing at the Island.
Thunder storm.

8th. More thunder & rain.
men continue mowing on the
island.

9th. In town in the morning. Thunder
but no rain here. Men on island.
Those cow will calve in May.

10th. Finish^d mowing on the island.
Hay is all spread. a great Rain
at night. M^r M^r of myself visited
at the Chief's, Col. Allen's & M^r James's.

Sunday
11th. Violent rain prevents dining at the Gov^r.

12th. Weather clears. Hay much damag^d.
all day employ^d turning^d.

13th. Got in hay from the hill &c.
making hay on the Island.
Thunder & some rain.

14th. Stack^d Hay. Anderson & Gourner
spitting. Fine day.
