

good Land. From Maccausson
to Secataunk are 3 Miles.
The next river is Neagmoun-
quaunk, 3 miles from the
last named on the same side,
and similar in every particu-
lar. From thence to Neccan-
wetloocook is 10 Leagues, which
is a large river with many
Islands and good Land. It
runs into the Bay of Chalew.
From thence about 4 miles
is Arisook on the West side
St. John's river, running exactly
the opposite direction to the
last mentioned river — Similar
in size & in quality of Land

thence to Medoc.
The East side, it is about
4 leagues, navigable for birch Can-
oes about 30 Leagues — good
Land. From thence to the great
falls is about 3 leagues. From
the great falls to the branch leading
to Canada is 15 leagues —
another Branch of St. John's
turns then towards Penobscot.
