

to wit, From the northwest angle of Nova-
 Scotia, viz, That angle which is formed
 by a line drawn due north from the
 source of The St. Louis River to the high-
 lands, and along the said highlands
 which divide those rivers that empty
 themselves into the river St. Lawrence,
 from those which fall into the Atlantic
 Ocean, to the northwestern most head of
 Connecticut river, thence down along
 the middle of that river to the forty-fifth
 degree of north latitude. From thence by
 a line drawn due west on said latitude,
 until it strikes the river Iroquois, or
 Cataraugy, Then along the middle of
 said river into Lake Ontario, & through
 the middle of said Lake, until it strikes
 the communication by water between
 that Lake, and Lake Erie. - thence
 along the middle of said communication
 into Lake Erie, and through the middle
 of said Lake, until it arrives at the
 water

water communication between the said
 Lake Superior northward of the Isles
 Royal and Pelipicau, to the long-Lake,
 thence through the middle of the long-
 Lake and the water communication
 between it and The Lake of the Woods, to
 the said Lake of the Woods, thence through
 the said Lake to the most north west-
 ern point thereof; and from thence on
 a due west course to the River Mississippi,
 thence by a line to be drawn along the
 middle of the said River Mississippi,
 until it shall intersect the north-
 easternmost part of the thirty-first degree
 of north latitude, south, by a line to
 be drawn due east from the determi-
 nation of the line last mentioned, in
 the latitude of thirty one degrees north
 of the equator, to the middle of the
 River Apalachicola, or Catapouchie.
 thence
